Psychology: pupils' learning (in English)	Educational module	Education/ didactics	Pedagogical subject (cross-curricular)	Almen Dannelse ("Bildung")	Pedagogical subject (cross-curricular)	Pedagogical subject (cross-curricular)	
Educational module (in English)	Teaching Practice		Teaching practice				Teaching practice
Intensive Danish Course	Intensive Danish Course						

Each semester has 3 modules which consist of 10 ECTS points (European credit system). However, during the first year the Educational module will have only 5 points each semester – in order to make room for your Danish course.

In the first year all subjects are taught in English (except of course German), and after that the subjects will all be taught in Danish (except again the languages).

* “Teaching subjects” to choose from: mathematics, science, physics/chemistry, geography, biology, English, German, art, music, home economics, sports, history, social science, religion
