Important dates

Study tour with study project - primary school, culture and education study your to Copenhagen. October 6th, 7th and 8th.

Reserve the days already now - Look forward to experiences with your classmates, both Danish and international!

New Student teachers must go on a trip to the capital. We will investigate and experience how school services of the major cultural institutions communicate to school children. Hear and talk about the schools purpose and foundations, responsibilities, and tasks.

The tour includes a study project as part of the subject "Education & Culture". It is prepared in groups and presented to each other and teachers when we get back to Haderslev.

The study is compulsory for all day students, both Danish and international.
